6th February 1959] [Sri G. Krishnamoorthy]

Sir, I have got one or two more points.

MR. CHAIRMAN : The hon. Member must exactly stop at 6 p.m.

* SRI G. KRISHNAMOORTHY : We are very thankful to the Government for the payment of the extra Rs. 5 to the teachers. But we are really sorry that the question of revision of scales has not yet been taken up even in the third year of the Second Five-Year Plan period. I have got time to speak about it in more detail during the Budget discussion. It would have been better if the Government had taken into account the cost of living and the present soaring prices, especially during the last few months and thought of revising the scales of pay and not giving any interim relief. Teachers stand on a different footing from employees in other professions. They have been there in the lowest rung of the ladder and their demand is for the revision of their scales of pay. Anybody may say that Re. 1 is 16 annas, whether it is given as dearness allowance or as salary. But it is quite different in the case of the teacher who can have more benefit in pension and provident fund if the amount is merged with pay. I think the assurance given by the Government on the floor of this House that the question of merger of dearness allowance with the pay of elementary school teachers will be considered at the time of revision, will be implemented very soon.

MR. CHAIRMAN : Sri G. Krishnamoorthy cares very much only for the teachers and neglects the rest of the world.

The House will now adjourn and meet again tomorrow at 2 p.m.

The House then adjourned.
